MEMORANDUM FOR: Coordinator for Academic Relations, NFAC

SUBJECT: Request to Deliver Two Lectures

I have been invited to deliver two lectures at Pace University in Pleasantville, NY on 21 March and 24 March 1980. The first, to be given to an "Intelligence and Espionage" class, will be a talk on intelligence analysis and the type of work we do in OPA. The second will be a formal lecture delivered to the University's "John H. Buchsbaum Historical Society." The lecture, which is the first in a planned series on "Leadership in the 20th Century," will be on Brezhnev as a world leader. Both the talk and the lecture will be unclassified, and I will identify myself as a CIA employee. Pace will pay my travelling expenses, and I will not accept an honorarium.
